

0:00

good morning everybody I'm company from

0:03

church by the bay because we need a word

0:06

from the Lord so I'm going to invite you

0:09

to listen for a few minutes and then

0:12

give you some information about what's

0:14

going to be happening over the next few

0:15

days from Psalm 31

0:18

Oh Lord my heart is not lifted up my

0:22

eyes are not raised to by I cannot

0:25

occupy myself with things to grate into

0:27

marbles for me but I have quieted my

0:32

soul like a weaned child with its mother

0:35

my soul is like the weaned child that is

0:38

with me Oh Israel hope is in the Lord

0:42

from this time on and forevermore this

0:48

is probably one of the more difficult

0:49

messages that a pastor has to give

0:52

because I'm going to tell you that this

0:54
coming Sunday
0:56
corporate church services in person
0:59
what we're going to do is try as best we
1:03
can to set an electronic message and do
1:06
electronic worship and all I can tell
1:10
you at this point is please be patient
1:12
we don't know what we're doing we're
1:15
faking it the best we can but we want to
1:17
give honor and worship to God all of the
1:21
programs at church by the way and all of
1:23
the building use has been put on hold
1:25
based on the government recommendations
1:28
discussions with medical professionals
1:30
and some serious prayer we understand
1:35
that at this time it is important for
1:39
people to be in conversation with God
1:42
and that's why a few times a week we're
1:45
going to try to give you a message of
1:47

hope a message of peace and an
1:50
opportunity to just pray with us one of
1:53
the things I suggested this past Sunday
1:55
was that we would try to stop every day
1:59
and new to pray pray for healing pray
2:03
for God's wisdom for our leaders pray
2:07
for peace throughout the world and
2:10
especially pray for those who are
2:13
struggling mentally emotionally
2:16
spiritually and physically through this
2:19
epidemic God has provided us with
2:23
healing and with an ability to pray to
2:28
all of creation
2:33
I'm gonna invite you
2:36
to join with all of us every day in
2:40
amount of time and go into an attitude
2:45
of the prayer someone thirty-one shows
2:49
that we put our trust in God and I'm
2:50
gonna finish with some fifty which will

2:53

show the joy as we praise God but let me

2:58

tell you a little bit about what's going

2:59

to happen here over the next few weeks

3:01

church by the bay is a mission outpost

3:03

we do the best we can to bring the

3:07

gospel of Jesus Christ alive in the

3:10

communities we've had to postpone some

3:13

of our visits to Atlantic City some of

3:16

our opportunities to serve a mission and

3:19

ministry to the community it doesn't

3:23

mean that the needs have gone away it

3:25

means that the risk is so great and our

3:29

church population is so much interest

3:32

that we have to decide that the right

3:34

to do is I'm going to ask that if you

3:38

have the ability if you have the

3:39

opportunity to send donations in please

3:43

do it's not going to maintain this place

3:46

it's going literally to help the people
3:49
in both Atlantic City and the
3:51
surrounding communities has been feeding
3:53
Scots and the needs are great the
3:57
elderly have needs the young that means
4:01
parents that are not used to being home
4:04
have needs and we'd like to be there our
4:08
address is 244 East Lake Horse Pike
4:11
Galloway New Jersey 0 8205 our church
4:17
phone number is six oh nine six five two
4:20
zero two four six if you have a need if
4:25
you have the ability to help someone
4:27
please leave a message and someone will
4:30
get back to you within 24 hours I'd like
4:34
to close with some 150 and then offer a
4:37
prayer praise the Lord praise God in His
4:43
sanctuary praise Him in his mighty
4:44
firmament praise Him and his mighty
4:48
deeds praise him according to his

4:50

surpassing greatness praising the

4:53

trumpet sound praise him with lute and

4:56

harp praise it with tambourine and dance

4:59

tracing the strings and pipe

5:01

praise him with clanging cymbals praise

5:04

him with loud clashing cymbals let

5:07

everything that breathes praise

5:09

Lord praise the Lord take a bit of pray

5:15

Almighty God we give you thanks for the

5:18

opportunity of the electronic media

5:20

that's being used right now for the

5:23

opportunity to bring your presence in

5:25

all of creation and for the opportunity

5:28

to settle our souls and our spirits by

5:31

your power help us through this crisis

5:35

help all the first responders and those

5:38

that are in the medical profession God

5:40

give them a little bit extra grace more

5:45

blessings than they've ever had so that

5:48

they can get through this as they care

5:49

for all of us as we go forward as a new

5:55

church help us to do your will and your

5:57

will alone because that's all that

6:00

matters we give you thanks we give you

6:03

honor we give you praise today and

6:05

always in the name of Jesus have a great

6:09

day
